Part III STATEMENT OF REASONS FOR ALLOWANCE

1. This office action is in response to the amendment filed on 9/22/06. Claims 1-10, 16-20, 26-30, 32-41, 45-47, 49 and 51. Prosecution on the merits is closed in this application.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach, or suggest the claimed limitations of (in combination with all other features in the claims), a system, apparatus or computer program having control (or executing) means for controlling a process of transferring the print data to the image processing apparatus and controlling a display for displaying the function status of the plurality of image processing functions on a display unit, wherein, when in place of one of the plurality of image processing functions another one of the plurality of image processing functions obtains the print the print engine, the information processing apparatus displays on the display unit information indicating that the one image processing function cannot be executed, and wherein the other image processing function has higher priority than the one image processing function and said information processing apparatus displays the function status of the other image processing function in an emphasized manner, as recited by the independent claims. Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee, and to avoid processing delays, should preferably accompany the Issue Fee. such submissions should be clearly labeled "comments on statement of Reasons for Allowance".

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gabriel I. Garcia whose telephone number is (571) 272-7434. The Examiner can normally be reached Monday-Thursday from 7:30 AM-6:00 PM. The fax phone number for this group is 571-273-8300.

CENTRALIZED DELIVERY POLICY: For patent related correspondence, hand carry deliveries must be made to the Customer Service Window (now located at the Randolph Building, 401 Dulany Street, Alexandria, VA 22314), and facsimile transmissions must be sent to the Central FAX number, unless an exception applies. For example, if the examiner has rejected claims in a regular U.S. patent application, and the reply to the examiner's Office action is desired to be transmitted by facsimile rather than mailed, the reply must be sent to the Central FAX Number.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (571) 272-2600.
